HYDRO FLASK[®]

BEGAN WITH A CHALLENGE:

TO CREATE A WATER BOTTLE THAT TRULY PERFORMS IN EVERY ENVIRONMENT.

It must keep hot liquids hot and cold liquids cold, period. It should be BPA-free, lightweight, durable, sweat-proof, freeze-proof, recyclable, and come with a lifetime warranty.

**WE ARE HYDRO FLASK.
THE WORLD'S PREMIER COMPANY
FOR INSULATED PRODUCTS.™**

HYDRO FLASKS ARE DESIGNED IN THREE MOUTH SIZES: NARROW, STANDARD, AND WIDE

All three are made from high quality food grade 18/8 stainless steel, feature double-wall vacuum insulation, and come with a lifetime warranty.

HYDRO FLIP™ LID

Introducing the new Hydro Flip™ lid for Wide Mouth Hydro Flasks. The Hydro Flip lid is perfect for consuming hot beverages on the go, including coffee, tea or whatever your favorite beverage may be. Fits our 18 oz Wide Mouth, 40 oz and 64 oz flasks.

STAINLESS STEEL FLAT CAP

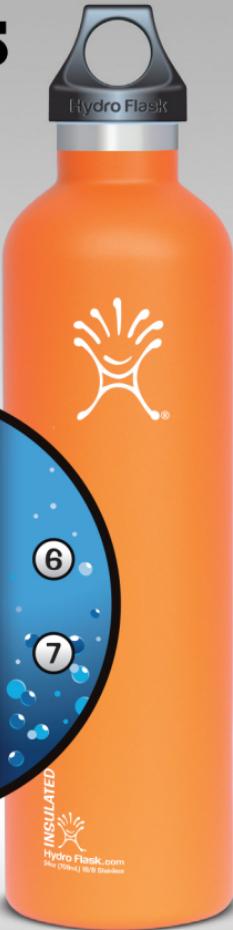

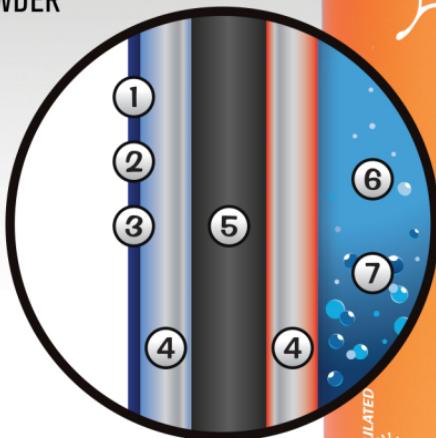

The Stainless Steel Flat Cap is perfect for those who wish their liquids never touch any plastic. The top is made from polypropylene number 5 (PP#5), while the inner threading is made from 18/8 stainless steel, which ensures an all stainless steel contact with the flask's contents.

The Flat Cap fits on our Standard Mouth flasks, including the 12 oz and 21 oz flasks.
